A 23 dipendenti su 2 reparti il lavoro calza bene ed la perdita si riduce a una media di circa 7 giorni e mezzo.

Naturalmente il carico va meglio bilanciato tra i vari operatori, comunque le cifre in gioco sono quelle.

Anche le ferie sono state distribuite tutte 736, come si può notare dai numerini gialli in alto a destra sulle tabelle turni. Resta da stabilire chi poi andrà in ferie a novembre o a febbraio, ma questo è un altro discorso.

Inoltre mandare in ferie due nello stesso reparto può voler dire mandare in ferie magari marito e moglie pur sempre restando in servizio in 10.
